

Perhaps You have watched some Star Trek movies on the big screen. Remember the part where was it Chekov? Who got caught by some group of villains and they let some worm enter his ear to drive him crazy.

Well you just thought this was science fiction.

There is actually a disease known as Morgellan's.

And of all my luck in the world, I somehow picked it up.

To learn about what it is, we do not need to go into too much detail. Great information is Available at Morgellans.org

Lets just say it may have to do with why most people get ill and die.

And why others cannot concentrate.

And others become "manic"

And others become "workaholics"

And others become "alcoholics"

And you fill in the blank.

So what are we talking about?

Basically a parasite.

But a very "naughty" one.

And this document will explain, so that should you have determined
That you have contracted this illness, how to properly eliminate it from you
Through a special healing product called The Divine Herbs

<http://www.thedivineherbs.com>

And through the use of specially generated Sound Healing Wave files created by my
company (me – humbly) Bocakeys, Inc.

<http://www.thebocakeys.com>

And You will need a specially designed Waveform player (because of its wider sampling
bandwidth and other reasons) that actually was used to
Create the waveforms. We have provided an Evaluation Version that is installed
With this package. The company and the program is called Goldwave.

<http://www.goldwave.com>

And that ends the introduction so now lets get down to business as to how to set up the “Sound Healer”.

We will also later explain how this interacts with taking The Divine Herbs and how diet affects speed of healing.

And I do not have 100% proof as of this writing. We have these insects in the home that manifest themselves as tiny worms that build a little oval silk home and perch themselves on the sides of any wall and watch you all day long.

They appear harmless.

I am beginning to think they have something to do with this.

And I think it is what happens with them when you go to sleep at night.

And the way the body is attacked is that they or something enters the ear canal while you sleep.

Actually just this morning I was doing pretty good and then just before getting up, I got That weird feeling again that something just got in my ear.

And It Did. And it is in there right now.

I attribute it in part that I have been using The Divine Herbs topically a lot but had diminished internal consumption somewhat.

Having a good “level” of “dh” as we will refer friendly like of them (And always maintain respect for them – they are alive too and have supernatural spiritual powers – I am NOT kidding!)

As I said having a good level will prevent a lot of these issues from ever starting, so that should be good advertisement to have everyone taking a mild solution of dh mixed with drinking water just as you would take your vitamins every morning ritually.

The topical application has value too. When you know a certain area is in crisis, applying either at full strength or as solution with water on a cotton ball can have a much more desired result that just taking internally.

My recommendation:

Always do BOTH.

Oh and do to the nature of the “herbs”, we have to stress this even though it is Off Topic:

NEVER EVER USE METAL NEAR THE HERBS.

IN OTHER WORDS, NO METAL UTENSILS.
DO NOT STORE NEAR METAL.
ETC.

USE A PLASTIC SPOON OR KNIFE ETC LIKE YOU GET FREE FROM FAST
FOOD RESTAURANTS.

WASH IT BEFORE AND AFTER USE AND THROW IT AWAY AND REPLACE IT
REGULARLY AS APPROPRIATE.

Ok I digressed enough about the herbs but cannot over stress how important they are, so
hear is how to set up your sound cure.

And I have noticed so many benefits from these sounds and here is just a few that I have.
Some inspired by God and not wholly proven by the time of this writing.
Oh dh gets credit on any of these as well.

OR LEAVING WINDOWS OPEN THAT ARE NOT REQUIRED FOR OPERATION
OF SOUND WAVE EMISSION I.E. GOLDWAVE HELP WINDOWS,
HAVING NOTEPAD OPEN ETC.

YOUR EARS ARE YOUR JUDGE.

IF A WAVEFORM BEGINS TO DISTURB YOU, SIMPLY OPEN THE GOLDWAVE
APP THAT IS RUNNING THE ONE DISTURBING YOU AND CLICK THE STOP
BUTTON.

SHOULD IT TURN OUT YOU DO NOT EVER APPRECIATE THAT WAVEFORM
SIMPLY EDIT THE .CMD THAT STARTED THE GROUP PROCESS AND
PUT THE WORD "rem" BEFORE THE LINES THAT START THAT PARTICULAR
WAVEFORM AS YOU MAY SEE EXAMPLES IN SOME OF THE .CMD FILES
THEN SIMPLY SAVE AS ... THE NEW .CMD PREFERRABLY WITH A NEW
NAME

SO AS NOT TO ALTER THE ORIGINAL .CMD AND USE AN APPROPRIATE
NAME

SO YOU WILL REMEMBER THAT THAT IS YOUR CUSTOM MORG WAVE.

WHILE USING IN CONJUNCTION WITH THE DIVINE HERBS YOU MAY NOTE
INCREASED PAIN OR DISCOMFORT MORE THAN WHEN JUST PUTTING
HERBS ON A SENSITIVE LOCATION.

THERE ARE TWO TYPES OF PAIN.

ONE IS THE PAIN OF DESTRUCTION THAT SOMETIMES IS MORE OF AN IRRITATION FORM.

THE OTHER IS A PAIN OF HEALING WHICH MAY BE A BURNING SENSATION LIKE APPLYING MERCURACHROME, PEROXIDE, OR IODINE.

YOU NEED TO BE ABLE TO DISCERN THESE TWO TYPES AND THAT IS ONLY YOUR SOULS RESPONSIBILITY. NO ONE ELSE CAN DO THIS FOR YOU.

SO AN INCREASE IN A GOOD PAIN IS AN ALERT TO THE BODY THAT THE INFECTED AREA IS A "FIRE ALARM" FIRE FOR EXAMPLE, AND THE BODY WILL EVEN FURTHER MOVE INTO ACTION TO MORE RAPIDLY HEAL THE INFECTED AREA.

YOU NEED TO MONITOR WHATEVER FESTERING OR WOUND YOU HAVE CONSTANTLY.

YOU NEED TO BE AWARE WHEN THE AREA IS FEELING BETTER OR MORE "ANNOYED".

SOME OF THESE WAVEFORMS CAN RUN FOR LONG PERIODS AND STILL HAVE GOOD CURING QUALITIES.

ANYTIME YOU SENSE THAT A FORWARD MOTION TOWARD HEALING IS BEING REPLACED BY A BACKWARD REVERSING MOTION OF DECAY OR UNDO IT IS YOUR RESPONSIBILITY TO DECIDE TO STOP OR CHANGE THE WAVEFORM COMBINATIONS.

BOCAKEYS AND THE DIVINE HERBS ARE ALSO HERE TO HELP YOU AS BEST WE CAN. BUT SOMETIMES NO MATTER WHO HAPPENS TO BE NEAR, IT SOMETIMES IS ULTIMATELY UP TO ONLY YOU AND GOD TO FIGURE OUT HOW TO SOLVE A CHALLENGE.

OF COURSE WE ARE ON YOUR SIDE AND CONSTANTLY WORKING TOWARD WINNING NOT ONLY THE BATTLES BUT THE WAR IN GODS FAVOR.

AND NOW WHETHER YOU REALIZE IT OR NOT, YOU HAVE WALKED OUT ONTO THE BATTLEFIELD.

WE SEND OUR LOVE, HOPE, PEACE, AND SIGNALS TO YOU.
