[10/8/2011 4:14:52 AM] {D}: There is like 10 sites and I think they are all designed by the same entity which is from
[10/8/2011 4:14:56 AM] {D}: Toronto
[10/8/2011 4:15:25 AM] {D}: They always say if you dont want to serve in the army you have to flee to Canada 2min
[10/8/2011 4:16:28 AM] {D}: But the more saintful sites as I see it are designed to pull you into the more risque sites where they can make their real money at x dollars a minute.
[10/8/2011 4:17:20 AM] {D}: Elton John said "Jesus Freaks out in the streets..." The streets are filled with predators and we just never realized it!
[10/8/2011 4:18:27 AM] {D}: I mean why is it so hard to just find a free site that does the same thing? Think about it.
[10/8/2011 4:18:55 AM] {D}: It is because our communication is carefully being routed through every miniature gate
[10/8/2011 4:19:20 AM] {D}: Even "Bill Gates" has the word "Gate" in it. And He IS billing us!!!
[10/8/2011 4:19:37 AM] {h}: Going to bed now (angel)
[10/8/2011 4:20:16 AM] {D}: We are like blind sheep that get directed wherever the sheep dog and the cattle prod dictate.
[10/8/2011 4:20:21 AM] {D}: Unless we get smart
[10/8/2011 4:20:38 AM] {D}: OK Good night Sweet Princess of my dreams.
[10/8/2011 4:21:10 AM] {D}: Oh dont let anyone tell you anything about your age
[10/8/2011 4:21:53 AM] {D}: Because I believe there are people here that are very old but always look 22 and are basically immortal and pure so they will never decay
[10/8/2011 4:22:25 AM] {D}: And we will be like them. We have the ability. Because we are GREAT!

[10/8/2011 9:02:42 PM] {D}: Princess just reporting. Went to "sit in" on a chat. Did not realize she was talking to some other "Joe". Made extremely big mistake fixing my headphones for sound.
[10/8/2011 9:03:45 PM] {D}: I have already learned from three way conversation that entertaining a man or someone who is basically spiritually unclean I pick up the vibrations and in this case I could only hear her voice but does not matter
[10/8/2011 9:04:10 PM] {D}: His presence was there and it affected my ears. But thank God for that experience!
[10/8/2011 9:04:34 PM] {D}: Because God just enlightened me on a "little" secret about my wife.
[10/8/2011 9:04:45 PM] {D}: I know now how I got the dragons.
[10/8/2011 9:05:16 PM] {D}: They came from contact with the bed or a towel that was used by someone else who was in My house when I was not there.
[10/8/2011 9:05:43 PM] {D}: Mystery solved. And it just confirms what I was thinking in the less conscience self.
[10/8/2011 9:06:23 PM] {D}: I basically have been putting my nose on a pillow probably with sperm from somebody else.
[10/8/2011 9:06:57 PM] {D}: And of course my roommate would not even hint to suggest that she is doing something behind my back
[10/8/2011 9:07:04 PM] {D}: Frankly what do I care?
[10/8/2011 9:07:27 PM] {D}: Except that I doubt I will go back there to sleep in that bed or take a shower and use those towels!
[10/8/2011 9:07:42 PM] {D}: I am positive

SkypeNotes_Edition_001.txt

[10/8/2011 9:08:31 PM] {D}: It is the exact same feeling I have now. She would get a towel to put on my bleeding ear and I felt she was dumping more ticks on my ear. And most likely that was the intention anyway!!!

[10/8/2011 9:09:10 PM] {D}: And here I am I can hardly understand what is going on. I only know my spirit is under attack and my wife want to take me to the hospital!

[10/8/2011 9:09:28 PM] {D}: He who has "ears" let him hear.

[10/8/2011 9:10:27 PM] {D}: So I made a bee-line for the jar of divine herbs just now and drank it and applied to ears. Feel like I just went backward a step toward my healing. Think I will run the sound vibrations now to exercise the room and me.

[10/8/2011 9:16:03 PM] {D}: Im running Audiblesweep5 and I can feel it breaking up the bad coagulated blood which was created. Now I know the real reason people get heart attacks or go deaf.

[10/8/2011 9:16:50 PM] {D}: And my finger with the "hang nail" worm is bothering me now. And I know it was that "Joe" that did it. Murder without a trace!

[10/8/2011 9:18:02 PM] {D}: And my wife mentioned the "bread man" today so I am sort of putting it together that it was him. She gets a ton of bread from him for "free". So how do you think she compensates him? 2min

[10/8/2011 9:19:12 PM] {D}: On the upper frequencies now. Basically when it hits the right one it breaks up something. Running a repeat run now.

[10/8/2011 9:20:30 PM] {D}: This one is best for headphones but I suppose ambient exorcism is useful with it too.

[10/8/2011 9:21:03 PM] {D}: Best to use your higher quality headphones which have a wider frequency range.

[10/8/2011 9:21:32 PM] {D}: I have what I consider the best. Fostex T-20. Purchased a long time ago.

[10/8/2011 9:21:53 PM] {D}: No muffled feeling. Extremely balanced.

[10/8/2011 9:23:20 PM] {D}: God brought me the best musical eq for my recordings. That is why it is so hard to part with any of it. There is a few stuff that could go on ebay to make a few.

[10/8/2011 9:23:55 PM] {D}: But you know being here I feel if I spend those couple hours working on a sale of dh or something I will be more productive.

[10/8/2011 9:25:56 PM] {D}: Third run. Think I am going to switch to InvisiblesweepGood.mp3 This covers all higher frequencies and the newer Goldwave samples up to 192000 so it is like running an "ultrasound" therapy. And the good news is it is not designed just to "look up your old address" 2min

[10/8/2011 9:26:22 PM] {D}: Yes this should clear out some "cob webs" !

[10/8/2011 9:27:53 PM] {D}: The only setting you need to adjust on Goldwave is to go to Options - Control Properties and under Play and Green Play check the Loop box and enter a value of 7777

[10/8/2011 9:28:24 PM] {D}: Then to get the play controls visible which look like a tape deck click Tools - Controls

[10/8/2011 9:30:16 PM] {D}: You also have the EMFFirewallSilent20000.mp3 which is good to have looping while on Skype calls or chatting. Basically protects you and keeps you alert and "with it".

[10/8/2011 9:30:47 PM] {D}: I have another firewall at 17777 however the 20000 is sweeter and less obtrusive.

[10/8/2011 9:31:46 PM] {D}: There is a bombardment type waveform which may help to really disturb the beasts.

[10/8/2011 9:32:00 PM] {D}: May help some dont know.

[10/8/2011 9:32:25 PM] {D}: It is called DragonJackHammer.mp3

[10/8/2011 9:33:19 PM] {D}: Would probably only run once in a great while for emergencies. It can give a headache sideeffect if listened to too long.

[10/8/2011 9:34:16 PM] {D}: My experimentation with SawTooth waves lead me to create a Motorcycle track

[10/8/2011 9:36:30 PM] {D}: MotoRevTakeOffCoolDown5min.mp3 is almost artistic simulating someone driving off on their motorcycle. This almost makes sense as being helpful. I think the creatures do not like motorcycles. I know while I was "under the influence" of them I could not stand motos. And it is really them who cant stand the cycles and start biting or making the hosting human uncomfortable..

[10/8/2011 9:37:28 PM] {D}: Basically you will rename the Goldwave download to have the .zip extension.

[10/8/2011 9:37:46 PM] {D}: Then you will rename the wavefile download to also have the .zip extension.

[10/8/2011 9:38:07 PM] {D}: The right click on each to extract. Note where they are on your harddrive.
[10/8/2011 9:38:41 PM] {D}: The ultrasound is making me sleepy. You might consider it a side effect but it is probably proving I am tired.
[10/8/2011 9:38:43 PM] {D}: 2min
[10/8/2011 9:39:06 PM] {D}: Going to stop it now.
[10/8/2011 9:39:49 PM] {D}: Actually prob better I let it run and take a little nap until your online. (Hooeful) 2min
[10/8/2011 9:46:01 PM] {D}: The invisible sweep is excellent because you can rest and take a nap and there is a no sound that disturbs you.

[1:23:14 AM] {D}: I know now why my parents had been pressuring me about job for so long.
[1:23:23 AM] {D}: Read later if have go
[1:23:45 AM] {D}: The hidden forces have exposed themselves.
[1:24:55 AM] {D}: The next door neighbor whose husband died (and I have had thoughts that she would entice my dad and that prob means she lalready has 2min
[1:25:33 AM] {D}: well she "sticks me up" when I was outside helping dad clean the gutters
[1:26:02 AM] {D}: And she says, "So I hear your not working and need a job" something like that
[1:27:26 AM] {D}: So I instead of negative energy but I was not bold enough to say I "have a job" took the undercover route and said well kinda gestured that Im looking which weakened me because I am Not changing direction
[1:28:24 AM] {D}: And then she says, I saw in the paper (and I completely loath the newspaper as being a filthy piece of paper that hurts my eyes like acid)
[1:28:42 AM] {D}: They have openings at this company called Sage in Atlanta.
[1:29:08 AM] {D}: I should have complemented her right there "Thank You for being my True Friend" 2min
[1:30:04 AM] {D}: But I said Thank You I will check in to it. (Lie Forgive me Lord for I have sinned but You KNEW I had to do it!) 2min
[1:30:47 AM] {D}: well then God said You need to get her email because You need to explain to her that You are mature and can find your own jobs whenever you want.
[1:30:57 AM] {D}: And handle her "offline"
[1:31:22 AM] {D}: well I went back outside but she went in the house so I deferred for next opp
[1:31:44 AM] {D}: well a couple days later she is at the front door for some "other" reason
[1:32:46 AM] {D}: and I over hear here telling my parents about that job that she told me like I am a child that needs to have the parents confirmed on like when they stuck the note with the pin on your shirt as you left school to make sure your

SkypeNotes_Edition_001.txt

parents knew too

[1:33:40 AM] {D}: So God says Now is your opportunity to get her email. And be prepared she may not have one but just asking will transmit your vibrations that you dont approve

[1:34:14 AM] {D}: So I come up to the door and ask her for her email.

[1:34:26 AM] {D}: And of course she says "I dont have a computer"

[1:35:31 AM] {D}: My frequency modulation thoughts were Yes I want your email so I can tell you what a "bitxx" you are for trying to redirect my life and stop harrassing my parents.

[1:35:57 AM] {D}: So I know the message got through by the look on her face 2min

[1:36:54 AM] {D}: Then she rementioned the job to me like I had forgotten like I am an 80 year old senile man or someone with ADD learning disability. 2min

[1:37:36 AM] {D}: Neither of which I will ever be because I declare that to my merciful God

[1:37:47 AM] {D}: All the time

[1:38:50 AM] {D}: So I gently change the vibrations to that "I am working on some projects. I have..." etc. with a very soft voice and a big stick a la Winston Churchill.

[1:39:14 AM] {D}: And my parents suprisingly said, "well he does have involvements, etc."

[1:40:15 AM] {D}: So The well Meaning neighbor is the culprit for all this job talk suffering I have been having for months months who knows maybe even back when I was in college now God inspired That thought!

[1:41:07 AM] {D}: well anyway The words "Could I have your email." got my thoughts out in the universe directly at her to her face.

[1:41:37 AM] {D}: Long ago I would have never taken this initiative because I still would not have realized what was really happening!

[1:41:49 AM] {D}: But now I am becoming "aware" of my surroundings

[1:42:03 AM] {D}: And with that we will stop all BS!

[1:43:19 AM] {D}: And get people to stop treating me And You like we are some kind of deficient creature who is "vertically challanged" so to speak. 2min

[1:44:12 AM] {D}: Because as long as they think we are challanged in this way. Their words will keep us in those bad vibrations and the intention is that we never escape that pit

[1:44:50 AM] {D}: So now You and I have to learn to fight when no one else will be there as a

"body guard"

[1:50:21 AM] {D}: I have a spiritual and blood pact with You like I have with NO ONE else. So just remember that. Even as You and I talk about other people and who knows what pleasures we may find "buying" pleasure "drugs" on the "black market" One thing You and I have to consider is that we dont lose our heads over this nor lose our vision nor lose what we need to accomplish to "win" and remember from people who turn out to be complete strangers I tend to believe and actually experienced giving away so much spiritual money for pleasure to the point that you give up your destiny. So be careful. I was lucky to get it back. The bible talks about how some sell their "birth right" for a favor of their brother. And Rush sings about selling dreams for small desires and lose the race to rats get caught in ticking traps and start to dream of somewhere to relax our restless hearts.

[1:50:56 AM] {D}: So these are all warnings. And it is basically like you see I sign that says "Cliff ahead 500 feet"

[1:51:33 AM] {D}: And maybe you want to look over that cliff to see the beautiful view of the "canyon" And so what you have to do is slow down

[1:51:50 AM] {D}: And stop the car before the cliff obviously

[1:52:05 AM] {D}: which means you have to pay careful attention the last 500 feet or it could be fatal

[1:52:25 AM] {D}: But if we trust our judgement and Gods

[1:52:40 AM] {D}: We can safely go all the way to the "edge".

[1:52:46 AM] {D}: Stop the car

[1:52:48 AM] {D}: Get out

[1:52:51 AM] {D}: See the view

[1:53:12 AM] {D}: Get the understanding of why that canyon exists and how God created it and why

[1:53:37 AM] {D}: And even though it would be such a thrill to just get in the car

and drive off of it

[1:53:54 AM] {D}: For the few seconds or minutes of feeling like your flying.

[1:54:14 AM] {D}: And maybe you would rather it kill you than stay here and suffer

[1:54:40 AM] {D}: You reconsider as that alternative has no future

[1:55:34 AM] {D}: So you get back in your car disappointed that the car would not be able to spread wings like Chitti Chitti Bang Bang and land safely on the canyon floor unharmed

[1:56:28 AM] {D}: But now you have sobered your thought processes and have wisdom that your parents had that you could never see before because you had never been to this cliff before.

[1:56:44 AM] {D}: But what you did not know is that they had already been there...!

[1:57:19 AM] {D}: Ok Lovely I know You are Princess and may not need to know this.

[1:57:30 AM] {D}: But I am a Prince with an ego.

[1:57:37 AM] {D}: And love to tell parables

[1:58:00 AM] {D}: Hoping that even if it was not necessary for you to hear

[1:58:14 AM] {D}: That someone who needed to hear it will read it.

[1:58:29 AM] {D}: Good night Fair Maiden

[1:58:33 AM] {D}: Over and out.
