

# Catch Us

Bridge (instrumental)

The prisons of our mind are small,  
But with our fellow brother, tall.  
Whose to say we cannot fall,  
It's something that (we) do us all.

Refrain

Catch us, Jesus, when we fall.  
Help us, Lord; you know us all.

From the time that we were born,  
You have helped us through the storm.  
We thank God for crown of thorn,  
That makes salvation to those reborn.

Refrain

Bridge

[Salvation], Salvation, Salvation to those who are reborn!  
Salvation, Salvation to those who are reformed!  
Salvation, Salvation to those who are reborn!  
Salvation, Salvation to those who are reformed!

From the time we were conceived,  
You have helped us to perceive.  
One day soon we all must leave,  
Only YOU can give reprieve.

Catch us, Jesus, when we fall.  
Help us, Lord; you know us all.  
Catch us, Jesus, when we fall.  
Help us, Lord, *when we fall*.

# Faith

(Funeral Procession)

Can't make it without Faith.  
Can't make it without Faith.  
Can't make it without Faith.  
Can't make it without Faith.  
Can't make it.

...

Can't make it.  
...make it.  
...make it.  
...make it. (2x)

Can't make it without Faith. ...  
...make it without Faith. ...

Can't make it.

[Break]

Can't make it without Faith...  
...make it.

[Break]

The whispers of the Lord are strong...  
Can't make it without Faith...

Death is just a whisper away.  
You must learn the way of life.  
Don't come to your Father without gifts of Love,  
In prayer and fasting and hope.

## The Answer

Here you go and all is,  
Bright and green.  
Everyone you know,  
Completes the scene.  
Have a ball,  
just like it is a dream.  
Think you have it all...

Eyeland hopping,  
is a pleasure cruise.  
When no one is,  
Giving you the bruise.  
How nice it is when,  
You get the shmooze.  
Then you take a fall...

There is no answer. (4x)

Swimming in the deepest,  
darkest parts.  
Hoping there are not,  
Too many sharks.  
Where are all the,  
Angel fished tarts?  
Have you lost your mind?

Break

Come on close back,  
Into blessed shore.  
Remember who it is,  
That you adore.  
Worship Him with all,  
And even more.  
But sometimes you will find...

## The Answer (continued)

There is an answer. (4x)

Have patience and keep,  
Yourself in Love.  
Don't stop dreaming of a,  
Morning Dove.  
Sometimes things don't fit,  
Just like a glove.  
Don't give up the Faith!

Pray in every sacred,  
Holy tongue.  
Raise your voice to,  
Him with all your lung.  
The busy bee just might,  
Be one that's stung.  
A voice might say inside...

There is an answer. (4x)
