

BE WITH YOU

**Words and Music by
Paul Kochanowsky**

I just wanna be,
In love,
With you.

Please don't set me free,
From love,
With you.

'Cause I just wanna be,
A part,
Of you.

I just wanna spend,
Some time,
With you.

I just wanna be,
In love,
With you.

HEARTBREAK

**Words and Music by
Paul Kochanowsky
and Dale Neumann**

Refrain

It's a heartbreak.
I just want to be with you.
Will you come back.
Let me prove our love is true.

I've been lonely girl,
Waitin' for a call from you.
Are you happy now?
I'm alone and feeling really blue.

There was once a time,
We were close and had so much to do.
That was when,
Our love was oh so new. (So many things to choose)

Refrain

It was you girl,
Who paved the way for our love.
Can we find a way,
To rise and soar above?

Let's try again.
What have we got to lose?
I wanna be close,
So close to you. ('Cause I love you)

Break

Refrain

IT'S NOT EASY

**Words by Paul Kochanowsky
and Dale Neumann
Music by Paul Kochanowsky**

They're going to lock me up you see.
They're going to throw away the key,
Bust my teeth and break my legs,
Bind me up and torture me.

Refrain

It's not easy,
Being sleezy!
Nothing to eat,
Rats chew'n my feet...

LET ME OUT!!!

Got no money.
Got no daddy.
Want my baby.
Drive me crazy!

Break

Refrain

Epilogue

What can you do if your stuck in a prison cell.
If you grow old, you may never get well.
And if you survive till the day of release,
Soon you'll be picked up again by the police.

IT JUST AIN'T FAIR!!!

ONLY ONE

Words and Music by Kochanowsky
and Dale Neumann

Refrain

You are the only one.
 You make me lose my mind.
You are the only one.
 You make me lose my mind.

And you believe,
 The days are going by,
And there is no one to,
 Be there when you cry.

Refrain

Break

Sitting in my castle,
 Up high in the sky,
Peering out my window,
 Wondering: Why?
