ZOUNDS

Music by Dale Neumann

This is the title track, and also called "Rolling".

THE ENTERTAINER

Music by Scott Joplin

One of the first pieces taught to me by first piano teacher: Bill Knight back in 1976.

SACRODOS

"Sacromonte" by Joaquin Turina
Performance by Dale Neumann

Sacro-"dos" (meaning "two") because of the doubling and tripling of piano tracks to create this unique variation on Turina's piece.

PEANUTS

Theme from Charles Shultz Comic Strip "Peanuts"
Performance by Dale Neumann

My version of this childhood favorite.

ZOUNDS (Continued)

This is a layered arrangement without words.
