

CAN WE FIND IT

Words and Music by Dale Neumann

You'll be my volcano of lust,
And we'll dwell on the beach.
The moon is so right, I will take you at night,
What is this stopping me?

I must...let go of my feelings for you,
I must tell you... the TRUTH.
Oooh baby, can we make it together,
Can we make it just once?

And

Refrain

Can we find it, can we find it, can we find it,
Is it there?

Oh Darlin', I know how you feel,
I know what goes on in your mind.
I'm well aware, I'm not concerned with "out there",
I know your feelin' it, too.

Just give me a chance, just one little chance,
To show you how much I lust for you.
Your body and mine can really move,
Between the sheets of my waterbed.

Refrain

[Name you price.
Only in my dreams.
You make me feel like Pavlov's dog.
When that bell rings,
I salivate all over you.
Can we find it, baby, can we find it?
Can we find it?]

GOOD TIMES BAD TIMES

Words and Music by
Jimmy Page,
John Paul Jones,
and John Bonham
(Led Zeppelin)

In the days of my youth,
I was told what it means,
To be a man.

Now I've reached that age,
I try to do all those things,
The best I can.

No matter how I try,
Find my way into the same,
Old jam.

Refrain
Good times, bad times,
You know I've had my share.
When my woman left home,
With a brown eyed man,
Well, I still don't seem to care...

Seventeen I fell in love,
With a girl as sweet,
As could be.

Only took a couple o' days,
Till she was rid,
Of me.

Swore that she would be all mine,
Love me,
Till the end.

GOOD TIMES BAD TIMES (Continued)

But when I whispered in her ear,
I lost,
Another friend.

Oh,

Refrian

Break

Refrain

I know what it means,
To be alone!
I sure do wish I was,
At home!

I don't care,
What the neighbors say...
I'm gonna love you,
Each and every day!

You can feel the beat,
In my heart.
You and I, sweet baby,
Ain't never gonna part...

SOME PEOPLE

Words by Dale Neumann

Some people want to be filthy rich,
I just want to play music.
Some people buy and sell their souls,
Mine, I would gladly share.

Some men love to love a thousand women,
Some girls have to have a million men.
All I ever asked from you, my lady,
Is for you to always be my friend.

For you to be my friend.
Not only for today,
Not just for tomorrow...
Forever.

Some people never tell the truth,
There are times we all hold back.
But keeping secrets inside your brain,
Results in a constant throbbing pain.

Some people only live and fight,
I just want to hold you tight.
In a world that's driving me blind,
You help me to keep my sight.

You help me to keep my sight.
And I see you,
There is only you...
Forever.

Hold me tight, keep the light.
Hold me tight, it's all right.
Not only for today,
Not just for tomorrow....
Forever.

Forever.
